

Serving the Community

# The Granite Bay Community Association NEEDS YOU!

The **GRANITE BAY COMMUNITY ASSOCIATION, INC.** is a non-profit corporation organized in **September 1987** by a group of Granite Bay residents who believe we have to **UNITE** to preserve the quality of life in our community! **FOR THE LAST 30 YEARS** the Granite Bay Community Association has been successful in doing that, but now -

## WE NEED YOUR HELP!

The purpose of the **GRANITE BAY COMMUNITY ASSOCIATION (GBCA)** is to provide Granite Bay residents with a community-wide organization capable of gathering and distributing information about what is happening in the area, to unify the people of the community under a single banner and to formulate action plans and carry these plans directly and effectively to county and other government leaders.

The **GBCA** works with the Granite Bay Municipal Advisory Council (MAC), the Board of Supervisors and other leaders for the good of our community. The **GBCA's "Alert"** newsletter will keep you up to date on such matters as area development, traffic, water, schools, and fire services.

By having the **GRASS ROOTS SUPPORT OF GRANITE BAY RESIDENTS** the collective voice of the community will be heard by those who set the policies and make the rules. This collective voice sent a message loud and clear to the county during the recent (2012) update of our Granite Bay Community Plan that the community did **NOT** want any changes in our land use designations and that we wanted development of our community to adhere to our Granite Bay Community Plan.

**OUR COLLECTIVE VOICE IS NO LONGER BEING HEARD, OR IS JUST BEING IGNORED.** Please join the **GBCA** so our collective voice is as strong as it once was. **WE NEED YOUR HELP AND YOUR VOICE.**

**PLEASE** complete and return the **Membership Application** below. We will add you to the **GBCA** mailing list to receive the **Alert** newsletter. We invite you to join us and be heard at all **GBCA** meetings and we welcome you to be a part of an organization that is doing, and has always done, something positive for your community.
